# GROUP EXERCISE DESCRIPTIONS

## CARDIO/STRENGTH

**4-3-2** A full-body workout with intervals of 4 minutes of cardio, 3 minutes of strength and 2 minute of core work.

**50/50** Half cardio and half strength for an awesome hour workout.

**Boot Camp** A high-intensity, non-stop cardio and strength class that pushes your limits. A variety of equipment is used.

**BOSU Sports Conditioning** Incorporates a BOSU (1/2 balance trainer) with weights and athletic drills to challenge your balance and strengthen your core.

**Boxing Boot Camp** An intense boxing and kickboxing workout with 5 rounds each of boxing, strength training and core exercises using various equipment.

**Cardio Sculpt** Alternates cardio and strength intervals for a full-body workout.

**Hard Core Strength and Cardio** A great full body workout using intervals of body blasting sculpting and cardio moves.

**HIIT** A high-intensity aerobic workout with alternating intervals and active recovery.

**Kickboxing** A full-body shadowboxing class to kick start your cardio, tighten your core and improve lean muscle tone. Bring your own boxing gloves.

**Power Strength Circuit** A full-body workout that includes cardio and strength intervals using various equipment.

**Pure Strength** Strength training of the upper/lower body and core using various strength equipment. No cardio.

**Shred** Combination of cardio and strength to shred the entire body- lower/upper body and core. Modifications and progressions will be offered as needed.

**Step** This aerobic-based class utilizes a platform with or without risers for a cardio workout.

**TRX** Suspension training that uses body weight to develop strength, balance, flexibility and core stability simultaneously.

**Women's Functional Training** Build strength, improve endurance, enhance mobility and challenge your body in ways that will transform you. Cultivate healthy habits, boost confidence and embrace your best self. For all fitness levels and age groups.

## CYCLE

**Cycle/Spin** A heart-pumping workout to music with climbs and sprints.

**Cycle and Strength** 30 minutes of climbs and sprints using the stationary bike, followed by 30 minutes of strength training using various equipment.

## DANCE

**Israeli Dance** Instruction for fun and fitness from our master instructor.

**Pop Zumba** A little hip hop, pop and Zumba mixed together for one awesome dance experience.

**WERQ** A dance fitness class choreographed to pop, rock and hip-hop music for a calorie-burn workout.

**Zumba** This heart-racing dance class is set to a fusion of Latin and international music.

## LOW IMPACT

**Drums Alive®** A combination of traditional physical fitness with brain-affected benefits of music and rhythm.

**Low Impact Cardio and Weights** Cardio moves with less stress on your joints for improved mobility, balance and strength.

**POUND** Instead of listening to music, you become the music in this full-body workout that combines cardio, conditioning and strength training with yoga and Pilates-inspired movements. Uses lightly weighted drumsticks engineered specifically for exercising. All levels welcome!

**Prime Time** Active adults will improve mobility, balance and strength in this class.

## MIND BODY

**Barre** Core work to lengthen, strengthen and shape your muscles that combines ballet-inspired movements, muscle sculpting, yoga stretching and Pilates.

**Chair Yoga** A modified yoga class designed for participants who have limited mobility. Half of the class is performed in chairs. No floor work involved.

**Pilates Mat** A very focused workout that helps properly align the spine and increase core strength. All levels welcomed.

**Power Vinyasa Yoga** This practice accelerates the flow of positions to challenge the body and cultivate strength, endurance, focus, balance and flexibility. This practice is more athletic but is taught with modifications. All levels are welcome.

**Shaolin Iron Body (Tai Chi)** Learn the world's most powerful, healthiest and balanced program that will challenge your mind and body.

**Slow Flow Yoga** A slower, meditative pace that emphasizes peace and calm in the body and mind. Experience a creative flow including standing poses, balance postures and yin postures. All levels are welcome and modifications are given.

**Tai Chi** This ancient workout will teach you movement control and body awareness.

**YIN Restorative Yoga** A style of yoga that encourages physical, mental and emotional relaxation. Appropriate for all levels, it is practiced at a slow pace, focusing on long holds, stillness and deep breathing. Props/ support may be used.

**Vinyasa Flow Yoga** This is an intermediate yoga class with creative variations of traditional poses.

**Warrior Sculpt Yoga** This class begins with a warm-up and followed by a series of yoga flows and sequences that incorporates light dumbbells. You'll then be guided into a series of targeted strength exercises for the upper body, lower body and core along with cardio intervals.
